**Cable Services, Inc. - Request for a Financial Hardship Waiver**

In the Matter of Commercial Advertisement Loudness Mitigation (CALM)

**MB Docket 11-93**

On behalf of Cable Services, Inc, a small independently owned and operated cable television business serving the communities of Jamestown and Valley City, North Dakota, I, Roy A. Sheppard, President and owner, hereby request a streamlined financial hardship waiver of the Commercial Advertisement Loudness Mitigation (CALM) Act rules for one year.

Pursuant to the Commissions' December 13, 2011 Report and Order in the above captioned proceeding, I certify that Cable Services, Inc (1) has less than 15,000 subscribers and therefore meets the Commission's definition of a small MVPD system; and (2) needs a delay of one year to avoid the financial hardship that would otherwise be imposed if it were required to purchase the necessary audio monitoring equipment sooner.

I represent and warrant that the above certification is consistent with 47 C.F. R § 1.17 which requires truthful and accurate statements to the Commission. I also acknowledge that false statements and misrepresentation to the Commission are punishable under Title 18 of the U.S. Code and may subject Cable Services, Inc to enforcement action.

Signed: *Roy A. Sheppard*
